Out of courtesy, Minot Dental Partners will help in submitting any claims to my individual dental Benefit plan. I give Minot Dental Partners permission to help file insurance claims on my behalf so that I, the patient, may receive maximum benefit from my dental insurance plan.

Our patients understand that in order to deliver optimum dentistry, we must maintain our office on sound principles. Therefore, we inform our patients of our financial policies at the very beginning of our relationship to avoid any misunderstandings in the future.

**We believe that:**

1. You should decide the quality of the dental treatment you prefer not an insurance company.
2. Oral health care and the choice of dental materials used should be determined by you and your dentist rather than a dental insurance carrier.
3. Our fees are the same for all patients, however, your dental insurance policy may reimburse you based on their own fee schedule which may or may not coincide with our fees. You should be aware that insurance companies vary greatly in the type of coverage available. Some companies reimburse claims promptly while others may delay payment for several months.

For your convenience, we accept a variety of payment methods that include **check, cash, and all major credit cards. Full payment is expected at the time your services are performed.**

**Financing:**

As a courtesy to our patients we offer Care Credit for extended financing. They have "no interest options" available and are quite easy to deal with. You may apply at home or here in the office. Please ask someone within the office with help in signing up for Care Credit.

**Cancellation Policy:**

***We kindly ask for a 48 hour notice for cancellation of appointments otherwise a charge may be incurred at our discretion.***
